***Art Extravaganza: Tools Techniques Trade Show Bigger and Better!
Coming to Oregon City March 11, 2015***

For the third consecutive year, the Clackamas County Arts Alliance will present ART EXTRAVAGANZA on March 11, 11am-4 pm, at the Providence Willamette Falls Community Center on 15th & Washington Streets in Oregon City.

This popular art materials trade show will feature an array of new and old-favorite products to test and sample: Gamblin Oils, Golden Acrylics, Strathmore Artist Papers, Winsor & Newton and many more will be represented. New vendors this year include Bullseye Glass and Georgies Ceramic and Clay.

Also new this year is a one-day “pop-up” store created by Portland’s Muse Art and Design, with a variety of art supplies available for sale during the show.

Throughout the day, artists will demonstrate various techniques, Rene Eisenbart-Watermedia, Sheila Ford Richmond-Fabric Painting, Cindy Lommasson-Sumi Painting, Barbara Mason-Printmaking, and more!

The Trade show is FREE and open to the public! Door prizes will be offered throughout the day. Enjoy it all in a big, bright location, with a coffee bar too.

In addition to the free tradeshow, three special Lecture Demonstrations in various media will be offered, only \$7 each. Register now – limited space available!
