

Clackamas County Arts Alliance
ARTIST EXHIBIT PROGRAM

Natalie Wood
photography

May 13 - August 6, 2020

My work is a fusion of things I wish I could find in reality, and a visual scrapbook of places I've been. I am inspired by old buildings and secret places. Each image I produce contains real photographs I have captured, digitally blended into dreamscapes and memories. It is my hope that those who view my work can find their own connection between dreaming and waking, desire and memory, and dark and light.
