ARTIST EXHIBIT PROGRAM

56 Individual Artists Selected for Clackamas County Arts Alliance Artist Exhibit Program 2025

The Clackamas County Arts Alliance announces the selection of 56 Individual Artists for the 2025 Artist Exhibit Program, including 26 artists who have not exhibited in our program before. The annual application process, open to Clackamas County artists, exhibits each artist for a few months in one of our 18 public gallery spaces located in 11 County venues. Artists will showcase a wide selection of two and three-dimensional artworks in a variety of mediums. We also exhibit a selection of artists groups and special exhibits.

The Artist Exhibit Program began in the early 2000s, and continues to provide local artists an opportunity to showcase and sell their artwork commission free. Over the years, the Arts Alliance has offered workshops for artists that include technical training and assistance, and other educational opportunities.

The more I exhibit my work, the more confident I become as an artist. I received many positive comments on my paintings. – Teresa Doss, AEP Artist
